SHIRLEY ANN TAYLOR

STRAY LEAVES

[illegible]

Dear Shirley,

It's been a pleasure having you around to have so much fun with. I hate to admit that I'll miss you but it's true. So until you decide to come and visit I'll be seeing you. But before I close I would like for you to read what I think that you are heading for.

"You see Shirley it was you" who saw black clouds hanging above the Black man's head from the time of slavery where the Black man had to go through many storms that the white man set upon him with his ways of beating him. From the clouds comes rain pouring down on the Black man's head telling him many different things that he must do.

Today I see him, thinking on his own. The white man still is trying to give him some of his ideas but the Black man has a new umbrella to prevent them from absorbing them and casts them aside. I also see him knocking on the door of life but there is nobody on the other side to open it because nobody wants to listen to him. The sky is clearing up for him and a new day is dawning for the Black man. There is somebody on the other side of the door opening it and letting people in. To be a leader is to: influence: thinking
& feeling
endorse & acting

Strive on to reach your goals. And when they are reach shout for joy.

Love always,
Lajuni

THE STRAY LEAVES

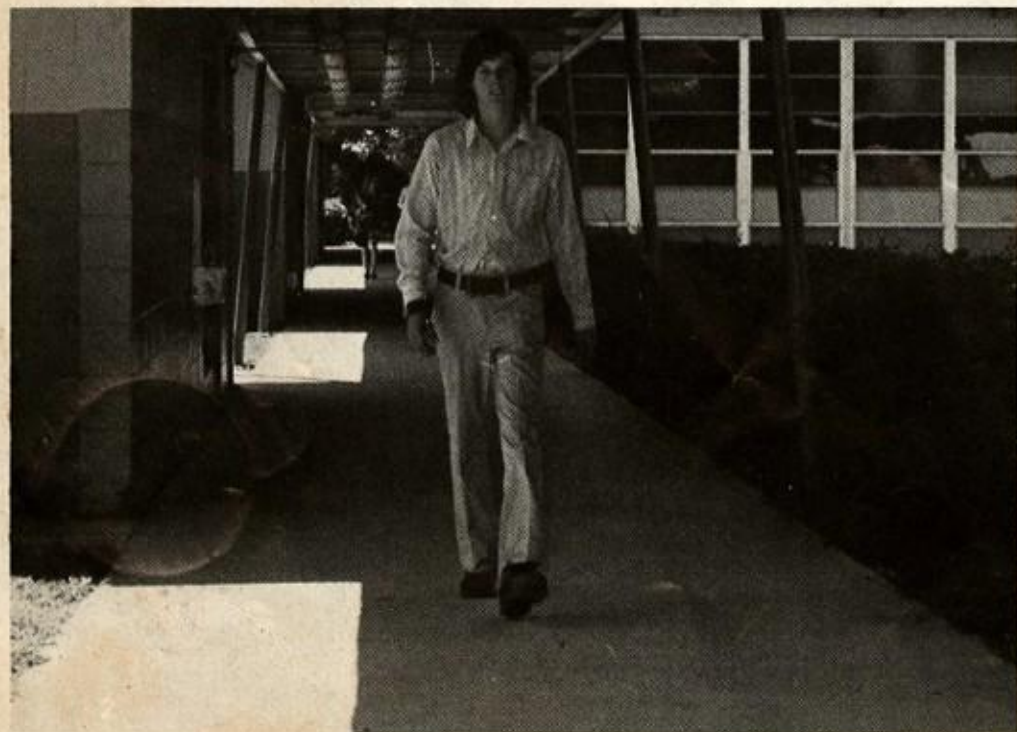

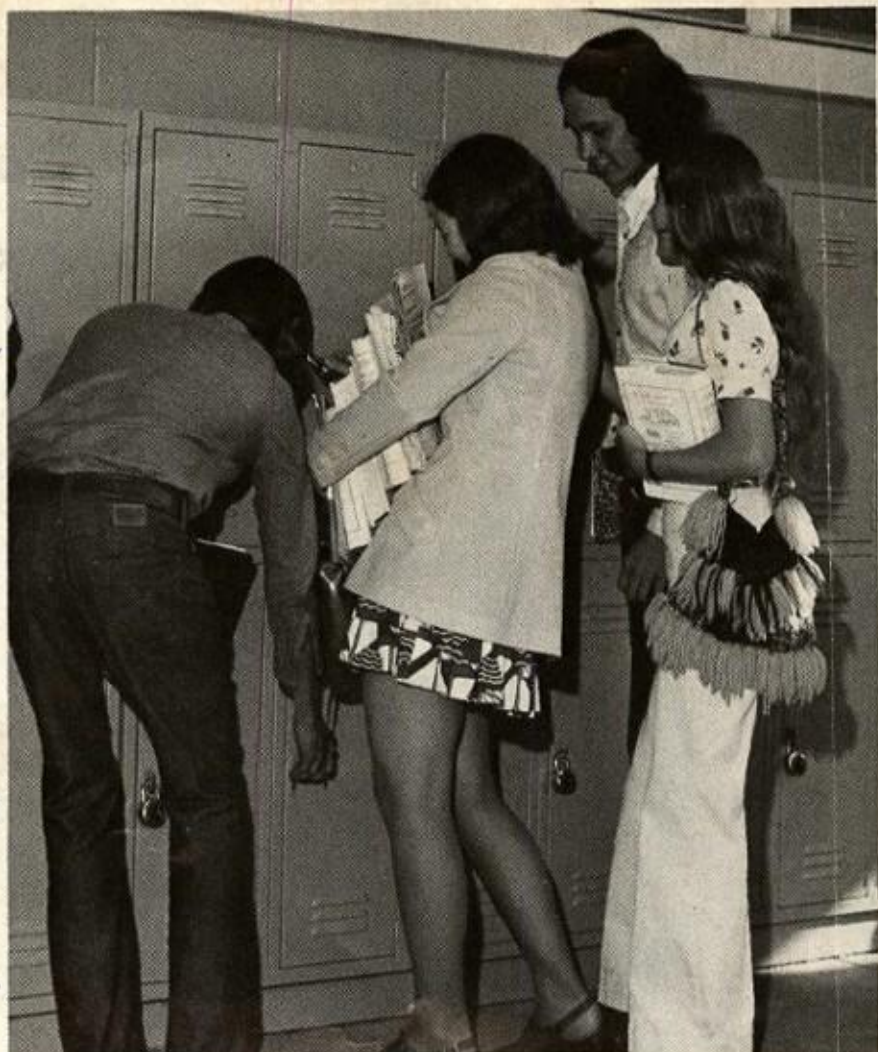

Shirley,
I'll tell you where I can keep,
first of all you didn't leave me
a page to sign!!! (smile).

Shirley we have been friends
every since first grade. We

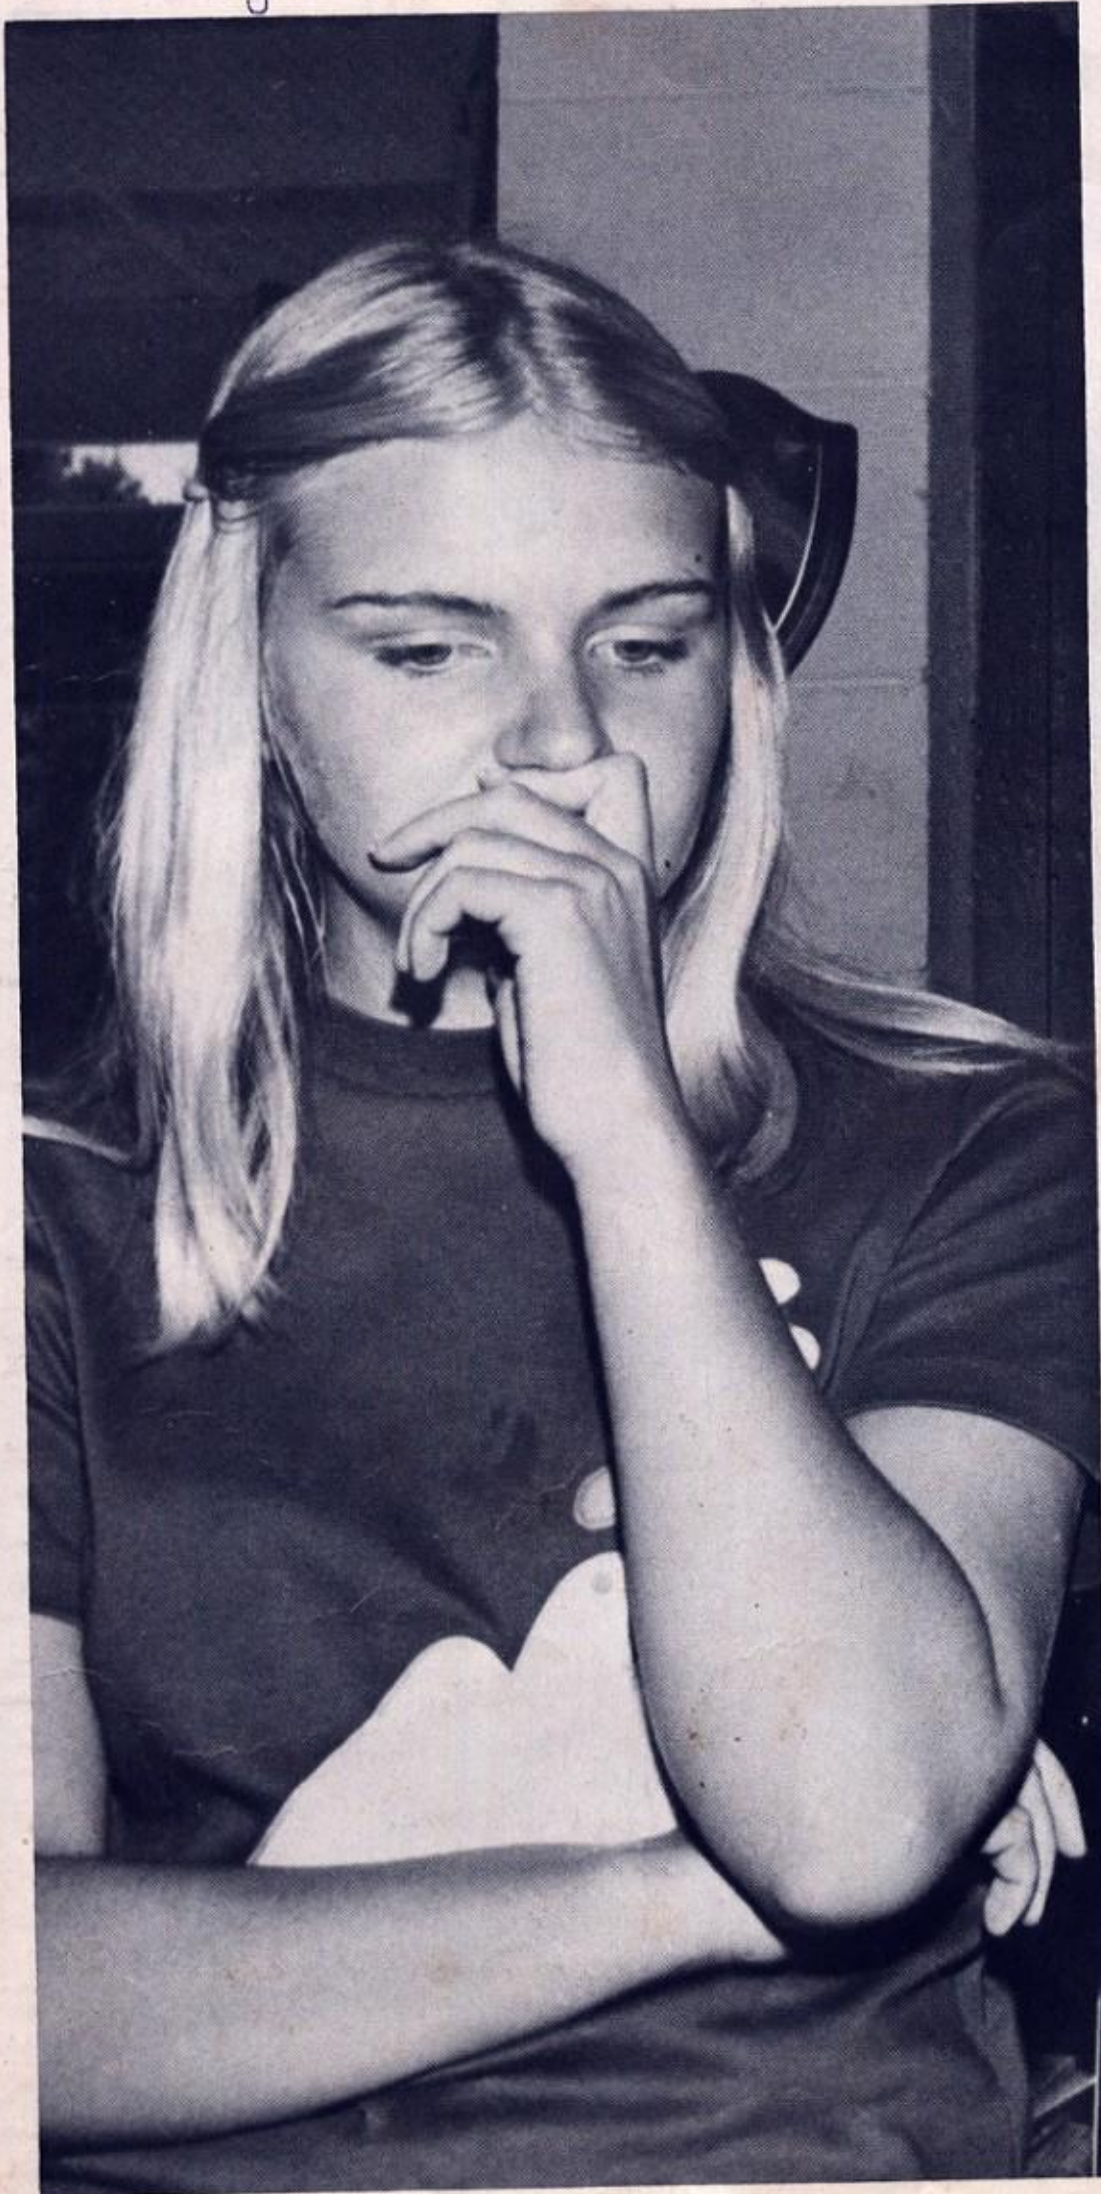

*Go Placidly Amid

Had so much fun at
Milner Roosevelt Academy. I'll
never forget all that food
we had over there. Those
are days that I treasure
more than anything because they were the

beginning of my educational life. We truly have
come a long way and still have a long way
to go.

Shirley, I have enjoyed getting to know you over

years. We have had
so many good times
together.
We have achieved

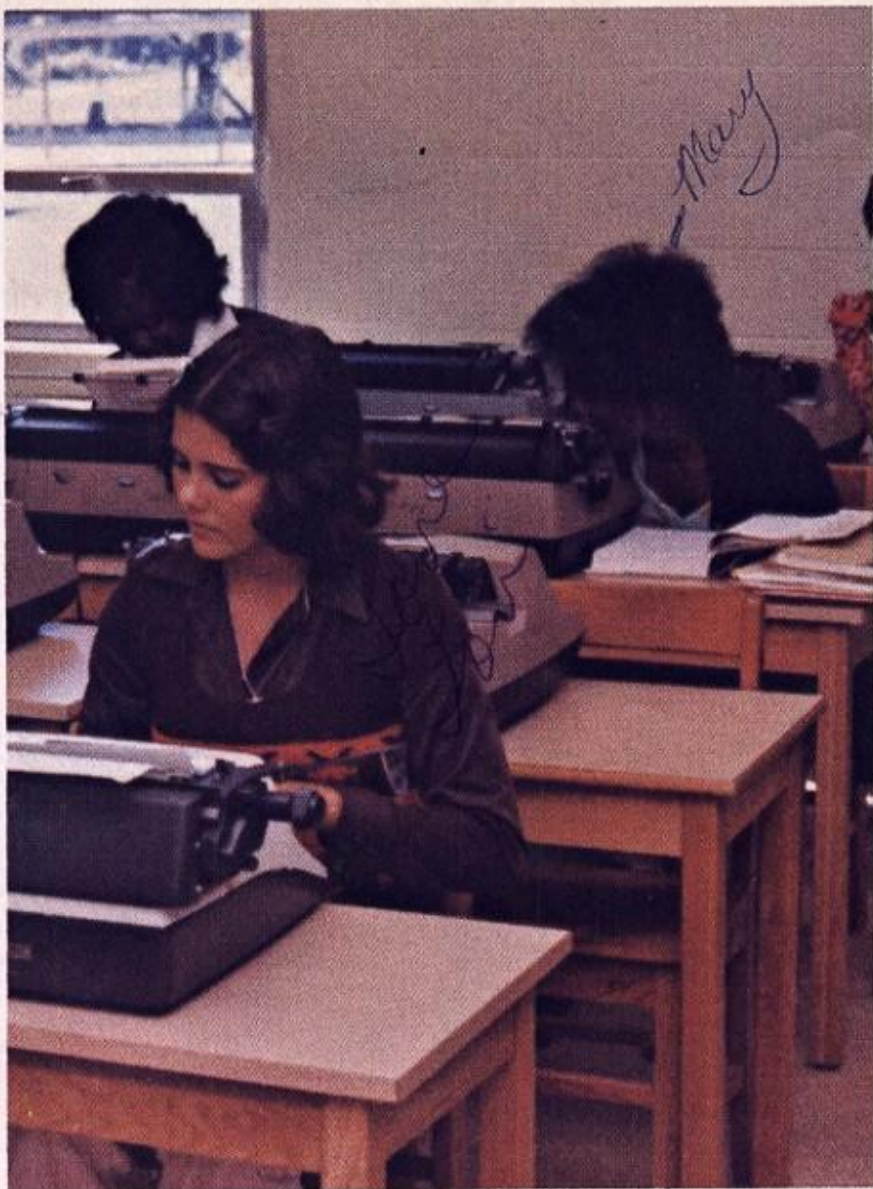

a lot of great honors. I am so proud of you,
getting a scholarship to F.S.U. You better study hard
and stay away from those good-looking guys up
there.

I hope you are
just as proud of me
as I am of you. I
have really enjoyed

all of my years in
school. They all have
been rewarding.
I want you to know

that I don't think that I'm
any better than you are. We all
are the same, even though we
may have different values about

life.

I never forget the fun we
had in Anchor Club, especially
that Rock-a-Thon. That one day

showed us a lot about some people. All the fun we had in home economics class.

Please don't forget about Stray Leaves. We worked so hard on this yearbook. We really had a lot of fun at the beach also.

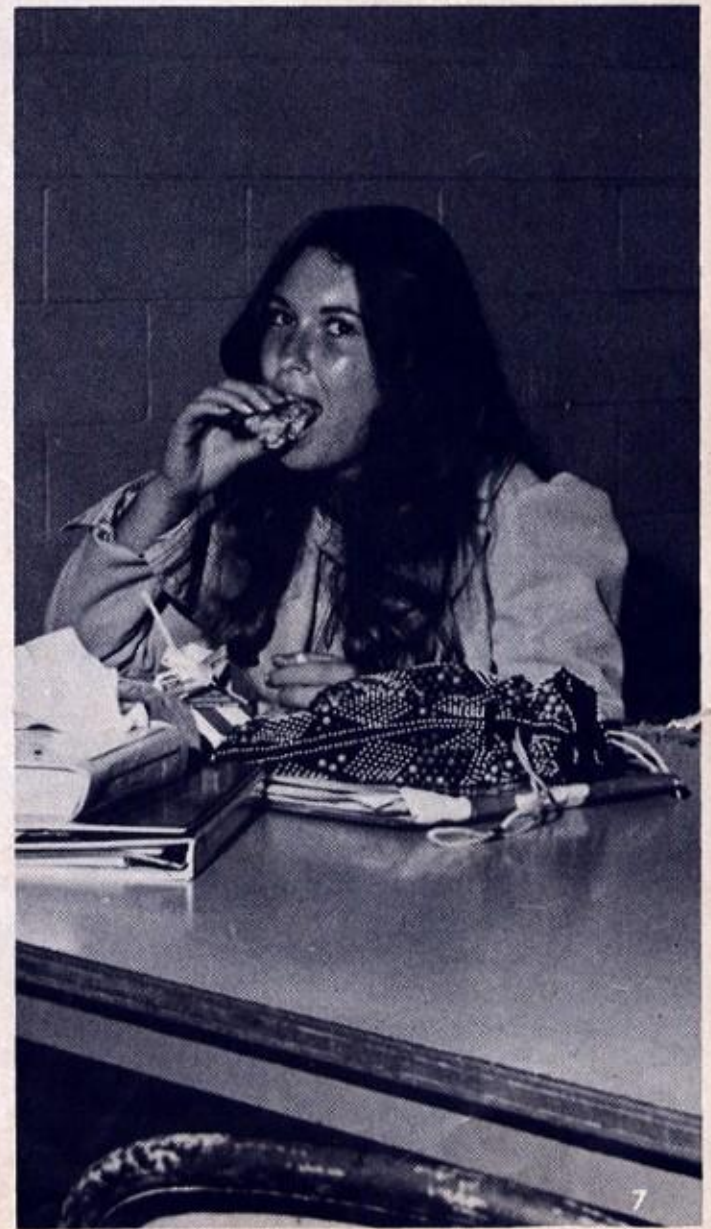

*With All Its
Sham, Drudgery,
And Broken Dreams
It Is Still A
Beautiful World*

Shirley, I can say more, but I'm going to leave room for someone else to sign.

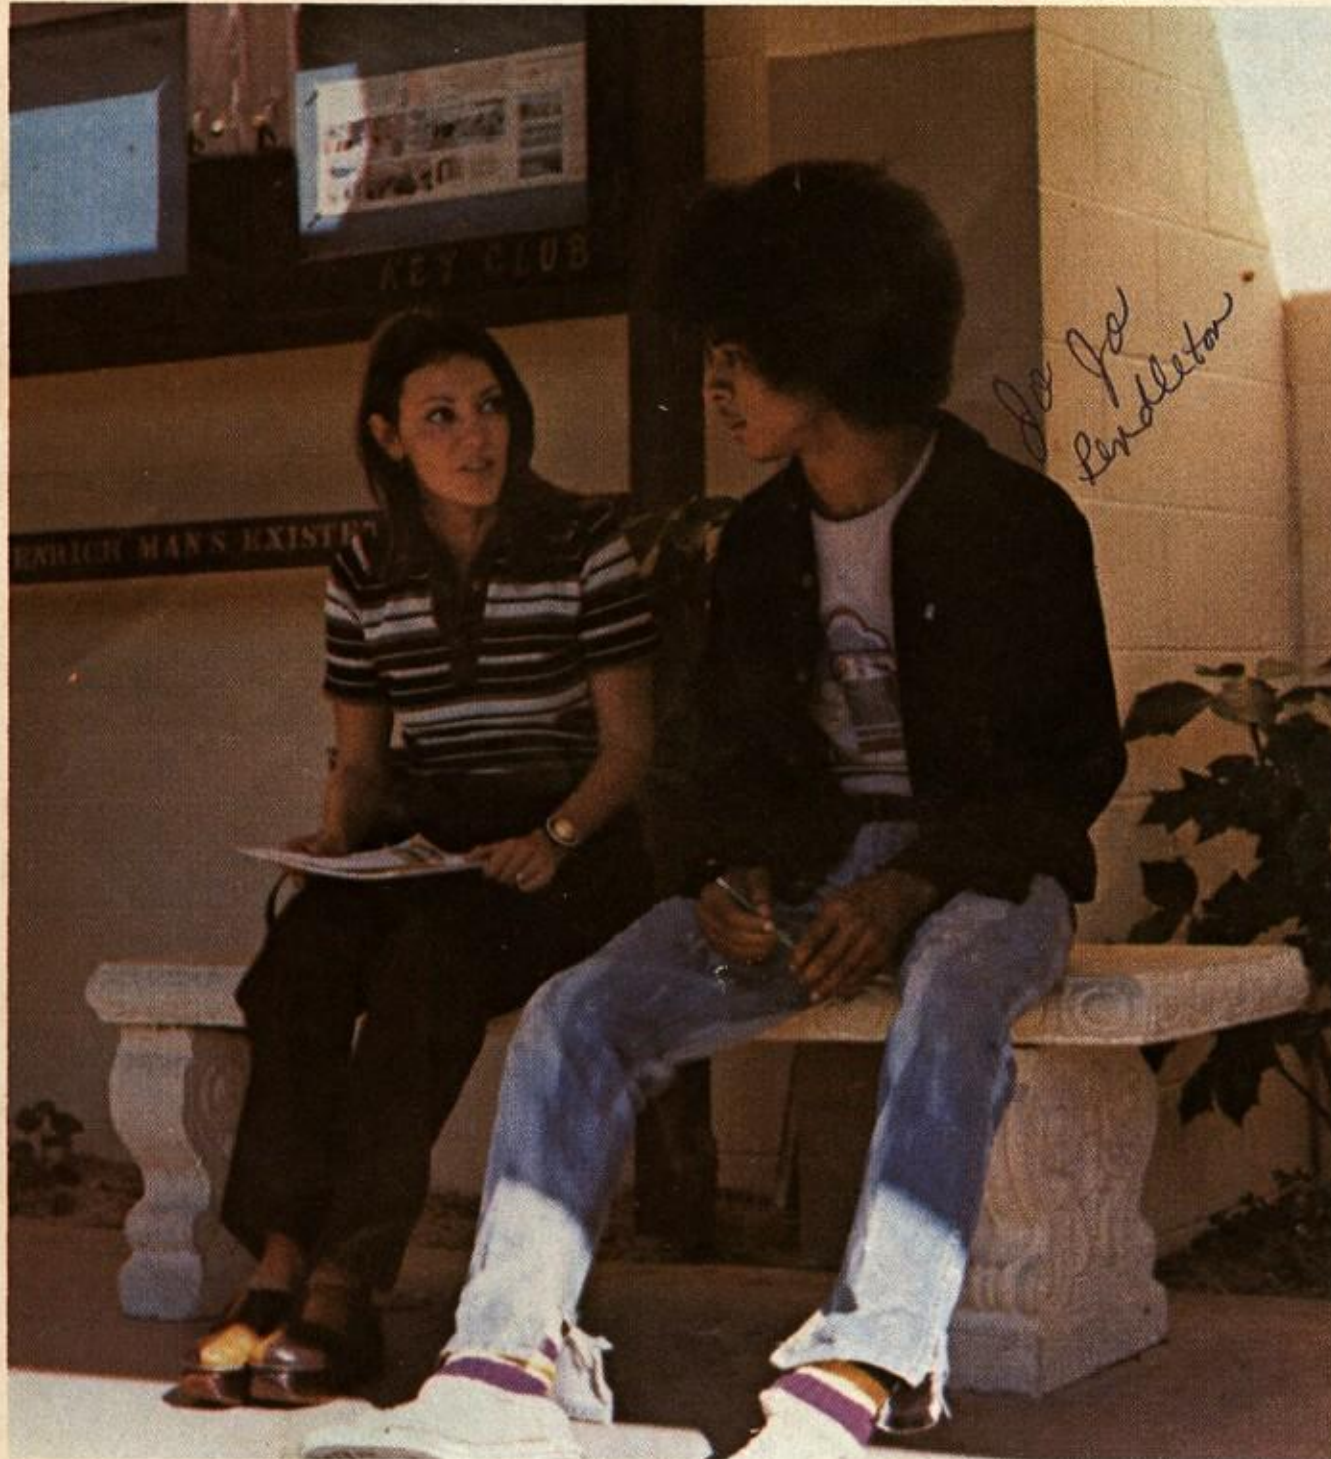

All I want you to do in the future is trust in the Lord and everything else will follow.

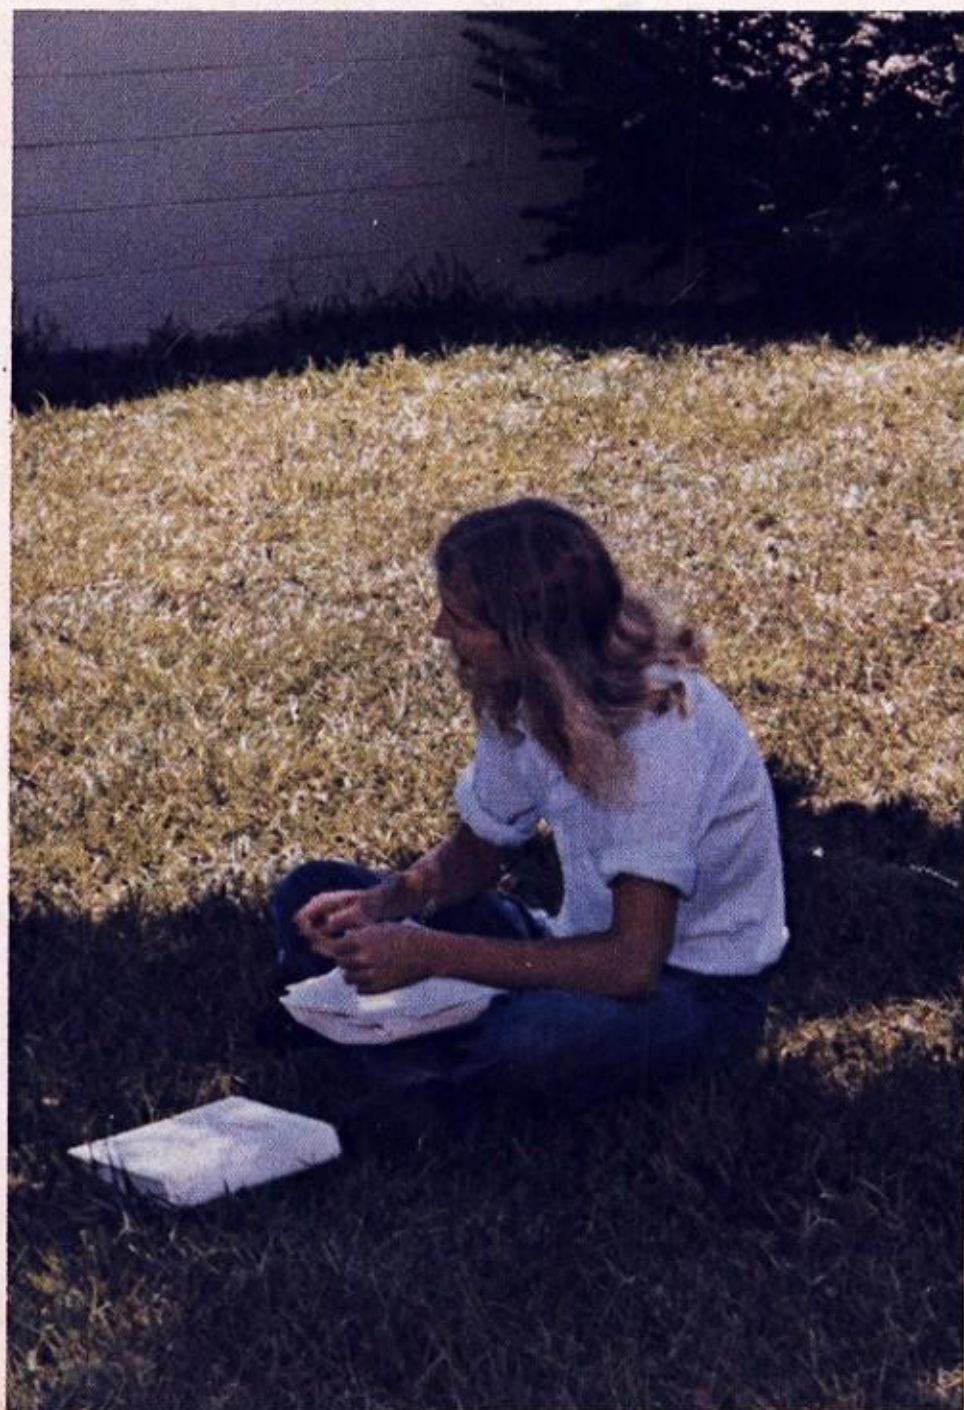

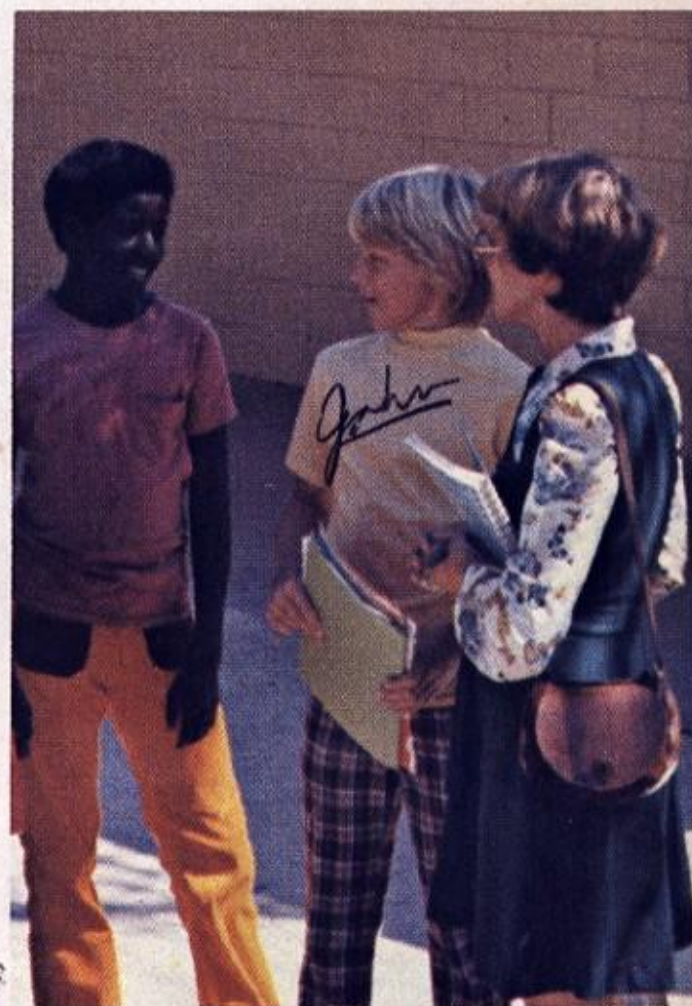

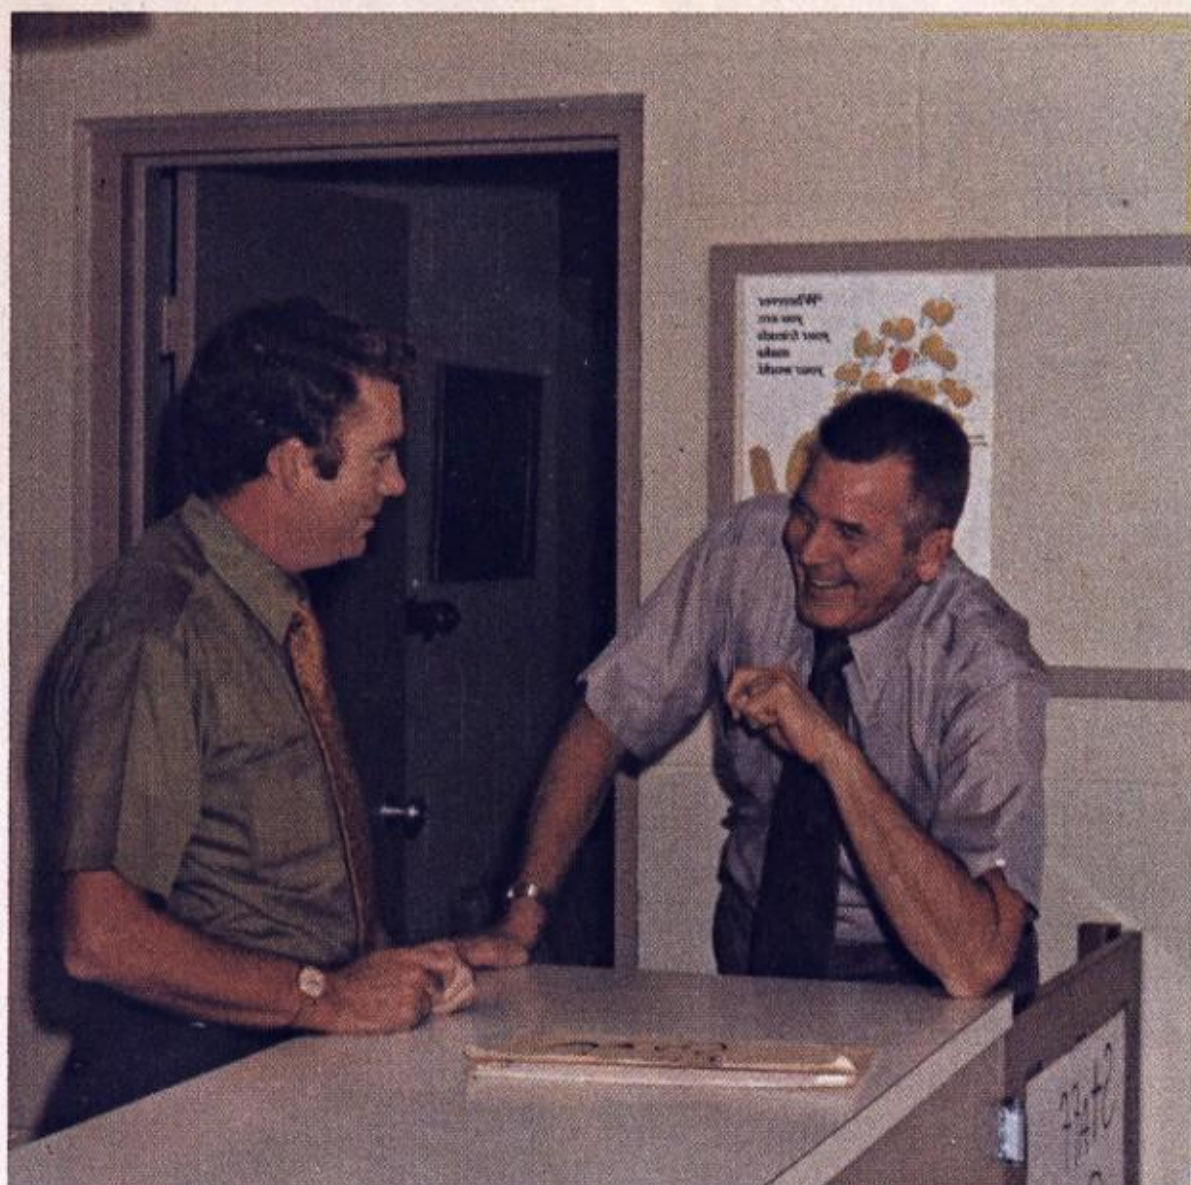

Take care of yourself and don't forget about me
if you are ever near or in OKLAHOMA. I don't forget
the good times we had!!!!
Thanks for being a good friend to
me. Love ya,
Beverly.

Shirley,

Well the time has come for us to be leaving this old creeping school there has been good and bad times around this school, but any way it's good to be leaving and sad to believe it because it's too good to be true. Any way while we get what we deserve take it as it comes and I'll miss you Shirley because you are fun and stay sweet, smart, and be cool and stay in school.

Shirley I've known you for a long old time. Remember when you were 10 tell me how good looking Steve Albutton was? That was in 7th grade. Shirley can you believe that yes. You're married by that fact. I can't say that I'm sad because it's time to move on to other things. Shirley I've always thought a lot of you. I want to wish you all the luck in the world. Good luck at college & have a blast. Don't ever forget our class.

Can you believe that our high schools are
coming to a close? Somehow, I can't help but
feel saddened by the departure of friends each going
their separate ways leading their own lives.
I shall never forget you; Miss Outstanding

Shirley,

I don't know what to say, but I want you to know
 I've really enjoyed being friends with you! How could you
 put up with me? Good luck to you in college and whatever you
 choose to do.

Now, about this fantastic yearbook! Remember all the fun....
 jokes.... hardwork -- smeared ink, pictures cropped wrong,
 panic because no idea of a layout was thought up (yep), bugging
 Steve for pictures, and switching sections. It was the best class
 I ever had, and I know you really liked it.

Well, I've taken up enough space, and your time, so bye
 and "vaya con amor" (go with love) Love,

Shirley,
 Now what can I
 say to good ole
 Shirley. I guess I can
 start off by telling
 you that I will miss
 you, just a little.

 alot of good qualities
 even though I do
 hate to admit it.
 I know you will go
 far in life because
 of these qualities and
 the simple reason
 that you "have

Shirley,
What can I
say to you, I haven't
said before. I'll start
by saying this year is really
drawing to an end for us. I can
now say I'm going to truly miss you,
but I'll never forget you. Your friendships
I have will be treasured by me. I have been like
a sister to me and I just can't forget you! Shirley
and sad ones depart from you, because that's life! It's really
going to be sad that we will never see each other again for a
long time. I truly hope if you have any grudges against me I hope
you look to the bright side and rid them to the past. I've learned so
much about you over the years. (I can write a book on you) I know graduate
is going to be a blast for us, because it will be the last for us. I
hope on this night everything be grand for you. You have been so
secretative about the young man in your life, but more power to you
and him. If you ever need some one to talk to don't hesitate. If you
can find one - if you ever need a shoulder to cry on - you know where you
are ever troubled just look at me as your sis and I will help
you in any way I can. Have, peace, happiness, and giving most of
yourself to the future. You are one I can truly
trust, and lean on. Shirley, life is going to
be good luck to the future. If you take those wishes to you and
stay sweet, cool, calm and intelligent
